Rules for use

This document outlines the fees payable by workers' compensation insurers for medical service delivery to workers' compensation claimants in Queensland.

Fees in this schedule are payable **only** to medical practitioners who meet the provider eligibility criteria outlined in the current Medical Benefits Schedule (MBS) book.

All conditions detailed in the explanatory notes of the Medicare Benefits Schedule apply also to the Q-COMP medical items schedule of fees with the exception of the following:

- **Multi-operation rule** – fees for two or more procedures under one anaesthetic, other than amputations, performed on a patient on the one occasion should be calculated using the following rule – 100 per cent for the item with the greatest fee; plus 75 per cent for each other MBS item.
- **Assistant's fee** – a flat 20% surgical assistant's fee is payable when a surgical assistant is employed for Therapeutic Procedures Category 3, Subgroup 14 (Hand Surgery) and Subgroup 15 (Orthopaedic) of the Medical Benefits Schedule (MBS), (i.e. payment for surgical assistants is not limited to the MBS item numbers that specify eligibility for a surgical assistant benefit). This should only be charged when clinically indicated. "The predominant consideration when using an assistant is patient safety, quality of care and overall efficiency." (AMA List of Medical Services and Fees 2006, p.344).
- **Aftercare** – all conditions detailed in the explanatory notes of the Medicare Benefits Schedule apply when treating injured workers. This includes the conditions surrounding any billing for routine post-operative care which is considered to be inclusive of the operation provided. If a patient requires additional services which are considered to be 'not normal aftercare' (NNAC) then the account should be endorsed with NNAC to enable separate payment for those services.
- **Other services** – dental, nursing and allied health services for compensable injuries are covered under the relevant Q-COMP table of costs for those services.

The attached schedule details the item number and the workers' compensation fee payable for all fees current as at 1 November 2016. All derived fees have been detailed at the end of the schedule commencing on page 16.
