1 November 2006 to  
31 October 2007

(including updates effective 1 May 2007)

Please note: fees in the Schedule are payable **only** to medical practitioners who meet the provider eligibility criteria outlined in the current *Medicare Benefits Schedule*.

Version 3: 01/05/2007

## Preamble

This document outlines the fees payable by workers' compensation insurers in relation to medical service delivery to workers' compensation claimants in Queensland. The aim of this information is to ensure delivery of quality, cost-effective medical services to injured workers, employers and insurers.

Fees in this schedule are payable **only** to medical practitioners who meet the provider eligibility criteria outlined in the current Medical Benefits Schedule Book. All conditions detailed in the explanatory notes of the *Medicare Benefits Schedule* apply also to the Q-COMP Table of Costs with the exception of the following:

- Fees for two or more procedures under one anaesthetic, other than amputations, performed on a patient on the one occasion should be calculated using the following rule – 100 per cent for the item with the greatest fee; plus 75 per cent for each other MBS item.
- Dental and Allied Health services for compensable injuries are covered under the relevant Q-COMP Table of Costs for those services.

The attached schedule details the item number and the workers' compensation fee payable for all fees current as at 1 May 2007. All *derived fees* have been detailed at the end of the schedule commencing on page 22.
